**The Stags Rugby Club**

Dear Sir or Madame,

The University of Calgary Rugby Football Club (UCRFC), along with the support of our Alumni Association, The Stags Rugby Club (SRC), will be holding a Silent Auction and Fundraising event on the evening of March 26, 2010 at Ceili's located at 803 – 8<sup>th</sup> Avenue S.W. Dinos Rugby consists of two men's teams currently with 60 members. The club had an impressive record in the 2009 season against teams from the Calgary Rugby Union and Alberta university & college teams. For the fourth consecutive year the Dinos were Western Canadian Interuniversity Rugby Champions and retained the coveted Little Brown Jug in the annual challenge game against the UofA, a friendly tradition that exceeds 40 years.

The funds raised during this evening will greatly assist the Dinos for the 2010 season in offsetting the expenses for travel, transportation, equipment (game and practice balls, pads, scrum- machine maintenance, jerseys, etc.) as well as costs relating to field and gym rentals. Due to the fact that the Dinos do not have Varsity status on campus, the student-athletes are left with fielding these costs individually, incurring a heavy financial burden.

We are asking for your support by contributing item(s) to be placed in the Silent Auction. Your contribution will be prominently displayed the night of the auction, and it will be a great opportunity to showcase your business. Please provide signs, brochures and/or business cards to be included as well.

Sincerely,
